Group Tour Experiences

We offer engaging guided tours tailored for your needs and interests in Montgomery's fully ADA-accessible Historic Greyhound Bus Station.

All groups learn about the 1961 Civil Rights campaign to integrate inter-state travel, and the hundreds of Freedom Riders who risked everything for it.

Younger visitors learn about justice, bravery, and music in the Movement. Older youth and adult groups focus on nonviolent direct action, student activism, and roles of state and federal government in the long Civil Rights Movement.

The guided portion of the tour is 30 minutes (15-20 for younger groups), followed by time for questions, discussion, and exploring our art and history exhibits.

We also have a **gift shop** with t-shirts, buttons, books, and other items to celebrate and learn more about the Freedom Rides and Civil Rights.
